

Agria Pet Insurance is designed to last a lifetime

Choosing the right
insurance is so important

Discover the Agria difference...

Agria 
Pet Insurance

We **only** provide lifetime policies

Commitment that lasts a **lifetime**

When you buy or adopt a puppy or kitten you are making a long-term commitment.

Some pet insurance policies could leave you stranded if your pet develops a long-term condition. At Agria we don't think that's fair, which is why we only provide lifetime policies.

Did you know?

90% of pet insurance claims are for illness*

Many are for ongoing conditions like Diabetes

Which can cost up to £2,500 per year to treat#

Treatment for diabetes can cost £2,500# every year.

How long will your cover last if your dog develops this disease?

.....
This is Milo;

he was diagnosed with diabetes at age 3 and could live until he is 12 or 13.

Agria Lifetime policies are different

Many other insurers will only pay for 12 months treatment or up to a maximum amount per condition. Then, when cover for that condition ceases, you are left with a hefty bill.

We only provide lifelong vet's fees cover for illnesses and injuries. Our policies renew the vet's fees benefit each year for the rest of your pet's life, provided the policy is renewed each year.
